

Your Entertainment Partner

# JOB OPPORTUNITY: WAREHOUSE & FULFILLMENT STAFF

**Job Type:** Full-time (On-site)

**Vacancy:** 03 positions

**Target Market:** US & Canada

**Working Hours:** Mon - Sat, 8:00 AM – 7:00 PM

## ABOUT US

SuperBox TV Box Store is the most trusted retailer of authentic SuperBox TV Box S6, S7, and S8 series in the US and Canada. True to our slogan, "Your Entertainment Partner," we are dedicated to delivering advanced home entertainment hardware directly to North American doorsteps with absolute accuracy and care. To guarantee smooth operations and top-tier customer satisfaction, we are expanding our logistics capabilities and seeking diligent, energetic **Warehouse & Fulfillment Staff** to manage our inventory and product packaging line.

## JOB DESCRIPTION

As a Warehouse & Fulfillment Staff member, you are the final crucial touchpoint before our premium hardware reaches the customer. You will handle inventory intake, organize the stock layout, and meticulously prepare, pack, and label parcels according to international transport standards.

### Key Responsibilities:

- **Order Retrieval & Verification:** Accurately pick the correct electronic units (SuperBox S6, S7, or S8 models) along with their corresponding accessories (remotes, power adapters, HDMI cables) based on system packing slips.
- **Quality & Configuration Check:** Conduct basic physical inspections of products prior to packaging to ensure zero hardware defects or missing components.
- **Secure Packaging:** Package orders securely using specialized bubble wraps, anti-static materials, and durable cardboard boxes to protect sensitive digital TV boxes during long-distance or international transits.
- **Shipping Labeling & Sorting:** Generate and paste precise shipping carrier labels (DHL, FedEx, USPS, UPS) onto packages. Sort outgoing items systematically by destination region and carrier group.
- **Inventory & Warehouse Housekeeping:** Unload inbound supply shipments, verify item counts against manifests, and organize stock on shelves neatly. Maintain clean, hazard-free warehouse work areas daily.

## JOB REQUIREMENTS

- **Experience:** Minimum 6 months to 1 year of experience in warehouse operations, order picking/packing, or e-commerce fulfillment (Experience dealing with consumer electronics is highly preferred).
- **Physical Stamina:** Ability to stand/walk for extended durations, bend, and lift standard inventory cartons weighing up to 20kg safely.
- **Attention to Detail:** Exceptionally meticulous mindset to consistently prevent mistakes in model picking, serial number matching, and address labeling.
- **Technical & Literacy Skills:** Basic English literacy to comprehend overseas shipping invoices, system manifests, and labels. Proficiency in using standard barcode scanners, label printers, and warehouse tracking interfaces.
- **Soft Skills:** Strong team spirit, clear communication, punctuality, and a proactive attitude when dealing with high-volume dispatch deadlines (e.g., peak holiday shopping seasons).

## BENEFITS & COMPENSATION

- **Competitive Remuneration:** High base salary plus monthly volume-based fulfillment bonuses and accuracy incentives.
- **Overtime Allowance:** Fully paid overtime (OT) multipliers following labor standards during peak commercial seasons.
- **Comprehensive Benefits:** Regular health check-ups, standard medical/social insurance coverage, and annual leave allowances.
- **Workplace Comforts:** Well-lit, organized, modern warehouse layout fitted with standard tech-assisted fulfillment tools; corporate uniform provided.
- **Career Progression:** Distinct promotion pathways to Senior Logistics Staff or Warehouse Shift Lead roles as our retail brand network scales.
- **Exclusive Staff Discounts:** Substantial inner-circle discounts on authentic SuperBox devices and home streaming accessories.

## HOW TO APPLY

Interested candidates are invited to submit their application or drop by our facility for an interview. Please prepare a CV detailing your previous logistics/packing background.
